

NOAA Restoration Day in Virginia York River State Park June 2, 2008 • 10 a.m. -3 p.m.

Come join NOAA staff from across Virginia as we work together to restore the natural environment at York River State Park (near Williamsburg, Virginia)!

Activities will include:

- Shoreline cleanup
- Trail restoration
- Native plantings
- Environmental education (kayak/canoe tours on Taskinas Creek)

RSVP to Andrew Larkin at
andrew.w.larkin@noaa.gov or
757-627-3823 x36
by May 26, 2008.
